

Globe Capital Market Limited
Standalone Statutory Audit
For the year ended 31 March 2018

**Independent Auditors' Report
To the Members of Globe Capital Market Limited**

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Globe Capital Market Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We are also responsible to conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditors' report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2016 ('Order'), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we enclose in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the said Order.

As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of written representations received from the directors as at 31 March 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 read with Companies (Audit and Auditors) Amendment Rule, 2017, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 2.24 to the financial statements;
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company; and
- (iv) The disclosures in the financial statements regarding holding as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain the financial year ended 31 March 2018. However, amounts as appearing in the audited financial statements for the year ended 31 March 2018 have been disclosed – Refer Note 2.33 of the financial statements.

Annexure A to the Independent Auditors' Report

(Referred to in our report of even date)

- i.
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified annually. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and from our examination of books of account and other documents, the title deeds of immovable properties owned by the Company are held in the name of the Company.
- ii. As informed to us, the inventory, which is in the nature of securities, has been physically verified by the management during the year, either by actual inspection or on the basis of statement received from depository participants in respect of shares held as inventory. In our opinion, the frequency of such verification is reasonable. No material discrepancies have been noticed on physical verification of such inventories.
- iii. During the year, the Company had granted an unsecured loan, repayable on demand, to one of its subsidiaries covered in the register maintained under Section 189 of the Act.
 - (a) According to the information and explanations given to us and examination of books of account, the terms and conditions of the unsecured loan given by the Company are, prima facie, not prejudicial to the interests of the Company.
 - (b) As mentioned above, the loan granted by the Company to its subsidiary is repayable on demand. According to the information and explanations given to us, the group company had repaid the loan during the year. Further, there have been no defaults in the interest payments.

Further, the Company has not granted any loans, secured or unsecured to other parties covered in the register maintained under Section 189 of the Act except for as mentioned above. Further, there no limited liability partnerships or firms which are covered in the register maintained under Section 189 of the Act.
- iv. According to the information and explanations given to us, in respect of loans, investments, guarantees and securities, the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public as mentioned in the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder.
- vi. The Central Government has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the services rendered by the Company. Hence, the provisions of paragraph 3(vi) of the Order is not applicable.

- vii. (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Service tax, Goods and Service tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Value added-tax, Sales-tax, Cess, Duty of excise and Duty of customs.

According to the information and explanations given to us, no undisputed amounts payable in respect of Income-tax, Provident Fund, Service tax, Good and Service tax and other material statutory dues were in arrears as at 31 March 2018 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues on account of Income-tax, Goods and service tax, Provident Fund and Service tax which have not been deposited with the appropriate authorities on account of dispute as at 31 March 2018.
- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any banks and financial institutions. The Company did not have any outstanding loans or borrowings from the Government and did not have any dues to debenture holders during the year.
- ix. According to the information and explanations given to us and our examination of the records of the Company, the term loans obtained by the Company during the year have been applied for the purposes for which they were raised. Further, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments).
- x. According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Hence, the provisions of paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us, and on the basis of our examination of the records of the Company, there are no transactions with the related parties which are not in compliance with Section 177 and 188 of the Act and the details have been disclosed in the financial statements, as required, by the applicable accounting standards.
- xiv. According to the information and explanations given to us and on an examination of the records maintained by the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit. Accordingly, paragraph 3(xiv) of the Order is not applicable.

- xv. According to the information and explanations given to us and based on our examination of the records, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. According to the information and explanations given to us, the Company is not required to be registered under Section 45-1A of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditors' Report
(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Globe Capital Market Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being

made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant accounting policies

(i) Basis of preparation

The financial statements are prepared on a going concern basis under the historical cost convention on the accrual basis of accounting, in accordance with the Indian Generally Accepted Accounting Principles (GAAP) and comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable, as adopted consistently by the Company.

(ii) Current/ non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within 12 months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within 12 months after the reporting date; or
- d) The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the above definition, the Company has ascertained its operating cycle as 12 months for the purpose of current/ non-current classification of assets and liabilities.

(iii) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Adjustments as a result of differences between actual results and estimates are recognized prospectively.

(iv) Revenue recognition

- i. Revenue from broking activities is accounted for on an accrual basis on the trade date of transaction and includes related charges recovered from customers.
- ii. Income from trading in securities and derivatives and arbitrage comprises profit/ loss on sale of securities held as inventories and profit/ loss on equity and derivatives instruments. Profit/ loss on sale of securities are determined on First-In-First-Out ('FIFO') cost of the securities sold and are accounted for on the trade date of transaction. Profit/ loss on equity derivatives transactions is accounted for as explained below:

Equity index and derivatives

- 1 'Initial margin' representing initial margin paid, and 'margin deposits', representing additional margin over and above initial margin, for entering into contracts for equity index/ stock futures, which are released on final settlement/ squaring-up of underlying contracts, are disclosed under 'short-term loans and advances'.
- 2 Equity index/ stock futures are marked-to-market on a daily basis. Debit or credit balance disclosed under 'short term loans and advances' or 'other current liabilities', respectively, in the 'Mark-to-Market Margin–Equity Index/ Stock Futures Account', represents the net amount paid or received on the basis of movement in the prices of index/ stock futures till the Balance Sheet date.
- 3 As at the Balance Sheet date, profit/ loss on open positions in index/ stock futures are accounted for as follows:
 - Credit/ debit balance in the 'Mark-to-Market Margin–Equity Index/ Stock Futures Account', being anticipated profit/ loss, is adjusted in the Statement of Profit and Loss.
 - On final settlement or squaring-up of contracts for equity index/ stock futures, the profit or loss is calculated as the difference between settlement/ squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/ squared-up contract in 'Mark-to-Market Margin–Equity Index/ Stock Futures Account' is recognized in the Statement of Profit and Loss. When more than one contract in respect of the relevant series of equity index futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using FIFO method for calculating profit/loss on squaring-up.
- iii. Income from interest on fixed deposit is recognized on a time proportion basis, based on applicable interest rates.
- iv. Dividend from investments is accounted for as income when the right to receive dividend is established.
- v. Income from depository and portfolio management services is accounted for on an accrual basis.
- vi. In respect of other heads of income, the Company follows the practice of recognizing income on an accrual basis.

(v) Fixed assets and related depreciation/ amortisation

All Property, plant and equipment (including intangible assets) are stated at historical cost less any accumulated depreciation/ amortisation. Cost includes original cost of acquisition and incidental expenses related to such acquisition.

Depreciation on property, plant and equipment other than intangible assets is provided on the straight-line basis over the estimated useful life of each asset as determined by the management. Depreciation is provided at the following rates which are in line with the corresponding rates prescribed in Schedule II of the Companies Act, 2013:

Assets Category	Useful life of asset
Building	60 years (1.67%)
Furniture and fittings	10 years (10%)
Office equipment	5 years (20%)
Computers	3 years (33.33%)
Computer server	6 years (16.67%)
Vehicles	8 years (12.50%)

Amortisation of intangible assets comprising computer software has been provided at straight-line basis over a period of five years, which in the opinion of the management represents the best estimate of useful life of these assets.

The appropriateness of depreciation/ amortisation is reviewed by the management in each financial year.

Losses arising from retirement or gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.

(vi) Impairment

The carrying amounts of assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not yet available for use, the recoverable is estimated at each Balance Sheet date. An impairment loss is recognized whenever the carrying amount of an asset or cash-generating unit exceeds its recoverable amount. Impairment losses are recognized in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

(vii) Investments

Investments are classified into non-current investments and current investments based on intent of management at the time of making the investment. Investments which are intended to be held for more than one year are classified as non-current investments and those which are intended to be held for less than one year are classified as current investments. Long-term investments are valued at cost unless there is diminution, other than temporary, in their value. Diminution is considered other than temporary based on criteria that include the extent to which cost exceeds the market value, the duration of the market decline and the financial health of and specific prospects for the issuer. Diminution in value of non-current investments when considered to be other than temporary is fully provided for and reflected as a provision for diminution in investment. Current investments are valued at lower of cost and market value. Market value for quoted shares is determined after adjusting quoted price of shares for management estimate of impact of market parameters affecting the actual sale value e.g. volume of sale, frequency of sale etc.

(viii) Inventories

Inventories or stock-in-trade is valued at lower of cost and net realizable value on a category-wise basis (equity shares, preference shares, mutual funds, bonds etc.). Cost comprises expenditure incurred in the normal course of business in bringing such stock to their location and conditions and includes appropriate overheads. Stock-in-trade includes stock pledged, if any, against secured loans from banks and kept as margin/ securities with the stock exchanges and does not include stocks held on behalf of clients/ constituents. Cost is calculated on FIFO basis.

(ix) Employee benefits

The Company's obligation towards various employee benefits is recognized as follows:

Short-term employee benefits

All employee benefits payable/ available within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus etc., are recognized in the Statement of Profit and Loss in the year in which the employee renders the related service.

Employee entitlements to annual leave are recognized when they accrue to the eligible employees. An accrual is made for the estimated liability for annual leave as a result of services rendered by the eligible employees up to the Balance Sheet date.

Defined contribution plan

Provident fund is a defined contribution plan. The contribution towards provident fund has been deposited with Regional Provident Fund Commissioner and is charged to the Statement of Profit and Loss.

Defined benefit plan

The Company pays gratuity to employees who retire or resign after a minimum period of five years of continuous service. The gratuity liability as at year end is determined by an independent actuary appointed by the Company. Actuarial valuation of gratuity liability is calculated based on certain assumptions regarding rate of interest, salary growth, mortality and staff attrition as per the Projected Unit Credit Method. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss. Gains or losses on the curtailment or settlement of any defined benefit plan are recognized when the curtailment or settlement occurs.

(x) Current and deferred tax

Income-tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the Income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets.

Deferred tax assets are reviewed as at each Balance Sheet date and written down or written-up to reflect the amount that is reasonably/ virtually certain (as the case may be) to be realized.

(xi) Foreign currency transactions

Foreign currency transactions are accounted for at the exchange rate prevailing on the date of the transaction. Exchange difference arising due to the differences in the exchange rate between the transaction date and the date of settlement of any monetary items is recognized in the Statement of Profit and Loss.

Monetary assets and monetary liabilities denominated in foreign currency are translated at the exchange rate prevailing at the date of Balance Sheet and resultant gain/ loss, if any, is recorded as an income or expense in the period in which they arise.

(xii) Leases

Lease payments under operating lease are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

(xiii) Provision, contingent liabilities and contingent assets

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent asset are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

(xiv) Earnings per share

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share are computed using the weighted average number of equity and dilutive potential equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

(xv) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(xvi) Commercial paper

In respect of commercial papers issued, the difference between the redemption value and acquisition value of commercial paper is amortized over the tenure of the instrument. The liability as at the Balance Sheet date in respect of such instruments is recognized at face value net of unamortized discount.

Explanations to assumptions used for actuarial valuation for gratuity

The estimates of future salary increases, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The discount rate has been chosen by reference to market yields on government bonds as at the date of the valuation with reference to the term that matched the liability.

Defined contribution plan

A sum of Rs. 8,608,824 (previous year Rs. 7,691,219) on account of provident fund is recognized as an expense and included in 'contribution to provident fund' in the Statement of Profit and Loss.

Notes:

1. Receivable and payable balances exclude the amount of transactions for the last day trading (except in the case of subsidiaries), if any, settled subsequent to year end and do not include payments made on behalf of constituents.
2. Balances outstanding as at the year-end being advance/ margin received from related parties are presented as net-off debits and credits during the year, being voluminous in nature and in the normal course of business.

2.28 In the opinion of the management, capital market activities comprising brokerage income earned on secondary market transactions done on behalf of clients, services rendered as depository participant and proprietary trading in securities and derivatives is considered as one reportable segment, as envisaged in Accounting Standard 17 'Segment Reporting' specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Accordingly, no separate disclosure for segment reporting is required to be made in the financial statements of the Company.

The Company operates principally within India and does not have operations in economic environments with different risks and returns; hence, it is considered operating in single geographical segment.

2.29 (a) The Board of Directors had earlier decided to delist the Company's equity shares from the Delhi Stock Exchange ('DSE'). Pursuant to SEBI pronouncement on 'Non-Operational Stock Exchanges', DSE vide letter dated 29 September 2014 had sought the Company's decision out of the options available. After evaluating the various options available and on receipt of a letter from DSE, the Company has forwarded them the information as was required for onward submission to the Dissemination Board of BSE. During the previous year, DSE vide its letter dated 18 May 2015 informed the Company that it has been transferred to the Dissemination Board of the Bombay Stock Exchange. Further, it also mentioned that the Company is not required to comply with listing agreement made with DSE and not required to pay the listing fee from 1 April 2015 onwards. The Company has informed SEBI that in its board meeting held on 29 October 2015, the Board has decided not to go for direct listing on any other exchange, and to provide the investors/ public shareholders exit opportunity as mutually agreed in accordance with applicable laws. During the current year, the Company has received a letter dated 8 December 2017 from BSE informing that the name of the company has been removed from Dissemination Board of the Exchange with effect from 11 December 2017.

(b) During the previous year, the Board of Directors in their meeting held on 31 May 2016 had recommended to buy back 3,700,000 equity shares at the rate of Rs. 302/- per share from the public shareholders on proportionate basis and the same had been approved by the share holders in their meeting on 27 June 2016. Consequently, the relevant shareholders had tendered 3,700,000 equity shares through tender offer for Buy Back and after paying off the consideration of Rs. 1,117,400,000 to the shareholders, the Company extinguished the tendered equity share capital.

(c) During the current year, the Board of Directors in their meeting held on 24 August 2017 had recommended to buy back 2,862,500 equity shares at the rate of Rs. 313.40/- per share from the public shareholders on proportionate basis and the same had been approved by the share holders in their meeting on 12 September 2017. Consequently, the relevant shareholders had tendered 2,862,500 equity shares through tender offer for Buy Back and after paying off the consideration of Rs. 897,107,500 to the shareholders, the Company extinguished the tendered equity share capital.

2.30 During the current year, the Company received a show cause notice, regarding the applicability of service tax on income earned on late pay-in charges, amounting to Rs. 129,359,873 relating to 1 July 2012 to 31 March 2017. The Company is in the process of filing the reply against the same. Based upon discussion with its expert counsel, the Company is not expecting any liability on this account.
